

WHAT'S THE LATEST WITH DAVIS?

March / April 2018

WORKSHOP WARS (WW1)

Starting on the 28th March, Davis Distributing will be at Sydney Dragway working as part of the Gulf Western Oil's Workshop Wars. This event will take place every Wednesday night (weather permitting).

This format of racing will be heads up (no handicapping) and at this stage there are teams that will be racing rotaries, 6 cylinder turbos, naturally aspirated V8's, nitrous cars and twin turbo V8's. There will be 3 rounds of racing on each night - each time racing against a different team and competitor.

The Teams racing are: PAC Performance, Westend Performance, GAS Racing, Maatouks Racing, Motorsport Mechanical and CV Performance.

It will be a cumulative point score over the first 4 rounds with the 2 lowest scoring teams eliminated.
The Semi Finals will be run over 2 rounds with the lowest 2 scoring teams eliminated.

The Grand Final will be a single event with the highest point scorer being the Winner of the Workshop Wars Series.

UPCOMING EVENTS - GWO NITRO THUNDER

The Gulf Western Oil Nitro Thunder at Sydney Dragway is coming up on the 4th-5th May. Team Bray's Ben Bray and Frankie Taylor will be there to take over the track with their GWO corvettes!
