

# WHAT'S THE LATEST WITH DAVIS?

May 2018

## WORKSHOP WARS (WW1)

The next Workshop Wars is on Wednesday May 23rd at Sydney Dragway.

The Teams racing are: PAC Performance, Westend Performance, GAS Racing, Maatouks Racing, Motorsport Mechanical and CV Performance. Come down and see the teams go to battle for some mid week entertainment!

## MECHANICS GOLF DAY

On May 25th, The Davis Mechanics Golf Day at Macquarie Links Golf Club is on! 100 points per player to enter. For any further detail, call the office or speak to your Sales Rep.

## UPCOMING EVENTS - GWO WINTERNATIONALS (QLD)

The Gulf Western Oil Winternationals at Willowbank Raceway is coming up soon in June. Four days of racing at the largest championship drag racing event held outside of North America is running for its 51st year! Team Bray and other Gulf Western sponsored teams like Rachele Splatt will be there.

## TOP DOG® INDESTRUCTIBLE - MINERAL 15W-40

TOP DOG® Indestructible 15W-40 is an uncompromising, next generation Heavy Duty Diesel Engine Oil containing Indestructible additive technology specifically designed to protect high powered, turbo charged Heavy Duty Diesel Engines. The unique formulation contains performance enhancing and superior wear protection technology that far exceeds the requirements of the new API CK-4 lubricant specification and previous specifications including API CJ-4. It is now available through Davis Distributing. More information can be found at <http://www.davisdistributing.com.au/product/top-dog-indestructible/>

The Gulf Western Oil range is extensive and ever growing. To find out more about the products, history of the company and brand and to see their FAQ's - visit [www.gulfwestern.com.au](http://www.gulfwestern.com.au) or call their toll free number

1800 248 919 between 8am-5pm on Monday - Friday.
